6. Communication Policy

6.1 Internal Communication Tools

- Slack: Primary collaboration platform. Use channels, not DMs, for work discussions. Archive policy: 3 years.
- Email: For formal communication, external parties, and document sharing. Use sparingly for internal discussion.
- Microsoft Teams: Video meetings and calls. Not to be used as a messaging replacement for Slack.
- Zoom: External client calls only. Company Zoom account required — do not use personal.

6.2 Media & External Communication

- All media queries: Route to pooja.agarwal@stellarisgroup.com (CMO) or pr@stellarisgroup.com

immediately

- Social media posts about work: No mention of client names, project details, or financial information without CMO approval

- LinkedIn announcements about promotions/achievements:

Encouraged — run through manager once before posting

- Press releases, industry articles, keynote invites: Pre-approve with CMO at least 7 days in advance
